MANNAI TRADING & CONTRACTING CO. S.P.C.

ABOUT US

Mannai Properties is the real estate development division of Mannai Holding, established by its Chairman, Salim Ahmed Al Mannai in 1973. It is a leading property development company for over 45 years. As Mannai Properties progresses through its fourth decade in the industry, the company has maintained the standard for a higher level of living, while striving on an ongoing basis to improve its quality to better satisfy its tenants. Our real estate division includes apartments, villas and lands for rent or sale. The company has a variety of properties accommodating a wide range of lifestyles, sizes and prices. Primarily, we develop new residential apartments and villas in targeted areas across Bahrain. Our experience in these high growth areas is what makes us a leader in our field. Client satisfaction has been our greatest asset enabling us to grow and prosper. From the high level of experience & confidence that we have acquired from real state, we have entered the

Sukoon Tower

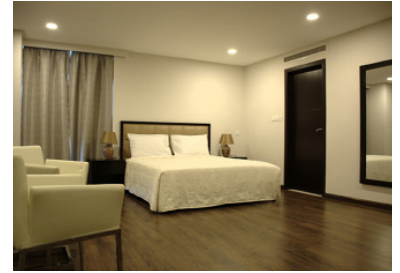

Juffair

Sukoon Tower is Mannai Properties flagship project, which is a twin tower development that has been designed first and foremost with its resident's personal pleasure and tranquility in mind.

The project design is designed meticulously to address traditional and international requirements. The project's several signature facilities distinguish Sukoon Tower and notable among them includes:

- A vast recreation floor containing indoor and outdoor pools, multi function hall, mini market and café.
- Health club and spa facilities in the seventh floor level, with dedicated men and women gymnasium, squash court, jacuzzi, sauna, steam room, salon, massage room, etc.
- Luxurious lobby with reception and other services.
- Ideally located in heart of Juffair with attractive sea views on all four sides of the tower, Sukoon Tower promises you a quality of living
- The residential apartments are available in studio, 1, 2.5 and 3 bedroom options.
- A safe haven in the heart of Bahrain, Sukoon Tower guarantees you the highest security, including 24-hours monitoring of the tower
